

Dear Colleagues, dear Friends, dear All,

I am pleased to invite you to celebrate the WHO Hand Hygiene Day in Healthcare on/around 5 May 2016.

The 2016 year campaign promotes #SafeSurgicalHands on Twitter and Instagram.

All WHO tools to participate are available at: www.tinyurl.com/WHOtool5May16

Post your photos/selfies at : www.cleanhandssavelives.org/safesurgicalhands/

Safe Hands in Surgery-WHO 2016 message together with colleagues surgeons : www.tinyurl.com/WHOadd2016

#SafeSurgicalHands Pictures' Wall (updated in real time): <https://walls.io/SafeSurgicalHands>

Additional educative videos are accessible at :
Your WHO 5 moments for Hand Hygiene along the patient journey in surgery www.tinyurl.com/5momentsSurgery
WHO surgical hand preparation technique www.tinyurl.com/SurgScrubTech

For those who want to conduct a Hand Sanitizing Relay: <http://tinyurl.com/HHRelay>
Any information at handhygienerelay@cleanhandssavelives.org
Or see the best relays in 2015 : <http://tinyurl.com/GlobalHandSanitizingRelay2015>

Or simply look at 10 years of Clean Care is Safer Care <http://tinyurl.com/CleanHands10>

I am looking forward to see you all participating.
Let's improve hand hygiene, reduce infections, limit resistance and save lives.

With best wishes

Professor Didier Pittet
