Improving the safety of placing naso-gastric tubes

Webinar session about sharing the England experience of safety of placing naso-gastric tubes

Invitation Programme

PROJECT

PaSQ Joint Action is co-funded and supported by the European Commission within the Public Health Programme.

It is building on European Union Network for Patient Safety (**EUNetPaS**)^{*} experience and network to promote the organisation of **Patient Safety** and **Quality of Care platforms** in all European Member States to improve Patient Safety and Quality of Care through **sharing** of information, experience(s) and the implementation of good practices. These platforms will be organised around **PaSQ National Contact Points (NCPs)** who will be also the contact persons for PaSQ matters in their respective countries.

WORKING PATTERN

It will run for 36 months (April 1st 2012 – March 31st 2015) and will be performed through **seven (7) Work Packages**.

OBJECTIVE

The main objective of PaSQ is to **support** the implementation of the Council Recommendation on Patient Safety. PaSQ **unites** representatives of the European medical community and the institutional partners involved in Patient Safety and Quality of Care in the Member States of the European Union.

PaSQ European Union Network for Patient Safety and Quality of Care

! In the line **Security code** type code: **PaSQ2012** to access to PaSQ Questionnaire.

Please do not forget to perform this step.

It is the essential step. Without its completion, you will not be able to access the PaSQ Questionnaire web site.

3. You are now at the **PaSQ Questionnaire web site**.

Please choose the **Patient Safety Practices Exchange Survey – WP4** or **Good Organisational Practices Exchange Survey- WP6** by clicking on the *Start* button.

The screenshot shows the PaSQ Questionnaire web site. The header includes the PaSQ logo, the text "European Union Network for Patient Safety and Quality of Care", and the European Union flag with the text "Funded by the Health Programme of the European Union". A navigation menu contains links for Home, Project, Partners, Wiki, News & Events, Links, Forum, FAQ, and Contact. A search bar is located to the right of the menu. The main content area is titled "PaSQ Questionnaire" and lists several surveys with "START" or "LOCKED" buttons. Two surveys are highlighted with red boxes: "Patient Safety Practices Exchange Survey - WP4" and "Good Organisational Practices Exchange Survey – WP6 (Part3: GOP collection)". On the right side, there are links for "Glossary and Frameworks", "Instructions to fill in survey", "Printable version", and "Translated versions". The footer contains copyright information and a disclaimer.

4. For easier completion of this online survey, please feel free to consult the **following documents** available on the right side of the PaSQ Questionnaire web site:

- Glossary and Frameworks
- Instructions to fill in survey
- Printable version
- Translated versions

This screenshot is identical to the one above, but with a red box highlighting the links on the right side: "Glossary and Frameworks", "Instructions to fill in survey", "Printable version", and "Translated versions".

5. Should you encounter any problem or difficulty in accessing the PaSQ Questionnaire web site, please contact us at technical.support@pasq.eu.
